## **JOIN US in creating a NEW PLAYGROUND at Peachtree Hills Park**

Peachtree Hills Park has been a beloved gathering space for our community for many years. However, the playground equipment, installed in 2003, has surpassed its intended lifespan and no longer meets the needs of our growing community. Friends of Peachtree Hills Park is planning a major renovation to create a modern, inclusive, and engaging playscape. We invite you to join us in making a lasting impact to the Atlanta community with a tax-deductible donation in support of Peachtree Hills Park.

### **A More Inclusive Playground for All**

One of the most significant improvements is ensuring that the new playground is fully ADA compliant and accessible to children of all abilities. Unlike the current playground, the new design will feature inclusive equipment and pathways, allowing children with mobility challenges to play safely and enjoy the space alongside their peers. Our goal is to create a welcoming environment where every child can experience the joy of outdoor play, regardless of their physical abilities.

### **Serving a Diverse Community**

In addition to serving 400 neighborhood families, the new playground will be a key resource for the **Centers of Hope** recreation center located next door to the park. Centers of Hope provides after-school programming and summer camps for Atlanta's youth, offering a safe and supportive space for a diverse population of children who may not have access to recreational facilities elsewhere. The program provides engaging educational, recreational, and cultural programming as well as a healthy snack and hot meal daily.

### **How Your Company Can Help**

We invite your organization to join us as a corporate sponsor for this transformative project. Your support will go directly towards the design, installation, and enhancement of a state-of-the-art playscape that meets ADA standards and serves children of all ages and abilities. By partnering with us, you can help create a space that reflects our community's values of inclusivity, safety, and joy.

### **Sponsorship Opportunities**

We offer a range of sponsorship levels providing your company with visibility and recognition as a key supporter of this important initiative. A full list of sponsorship options are included below. Benefits include naming opportunities, recognition on park signage, acknowledgment in our communications, and aligning your brand with a commitment to fostering community and investing in Atlanta's youth.
